

Pride

International School

Students Success is our PRIDE

A close-up photograph of a young child's hands as they draw on a piece of white paper with blue horizontal lines. The child is using a red pencil with white polka dots. Their drawing includes a small Christmas tree decorated with colorful ornaments and some red scribbles. In the background, another child's arm and hand are visible, also engaged in drawing. The scene is set on a wooden table.

We develop passion
for learning!

What we develop?

- We **INSPIRE** Students to Explore and Pursue their Passions.
- Creating Learning Environments that Help Students Stretch and **GROW** as Learners.
- Helping Students **THINK** More Critically and Strategically.
- Today Students are Tomorrow's Leaders, we Provide Opportunity to **LEAD** Today!
- Students **CREATE** Their Own Learning Experiences with our Wi-Fi Labs.

INSPIRE
GROW
THINK
LEAD
CREATE

A screenshot of the website for Pride International School. The header features the school's logo with a tree and the text "Pride International School". Below the header is a banner with circular icons showing various student activities like swimming, roller skating, and horseback riding. The main content area includes sections for "Vision" (blue box), "Mission" (orange box), and "Values" (green box). The "Mission" section states: "Our responsibility is to prepare every student for success in college, career, and their life". The "Values" section states: "We are dedicated to helping you achieve your goals by flexible programs". A red banner at the bottom says "Preparing students for successful future!"

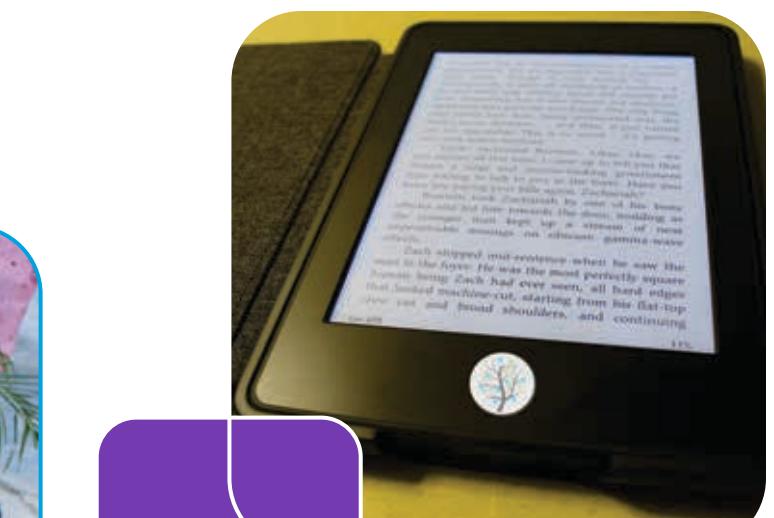

Digital Concepts
@ Pride
